

Welcome to the Party Pad!

Your weekend just got brighter...

Whether you're going out to party or staying in for one...the weekend (and your skin) will always be bright with Weekly Brightening Peel Pads.

Weekly Brightening Peel Pads is a once-a-week, at-home peel pad that provides just the right amount of exfoliation and brightening using natural Lactic, Phytic and Azelaic acids.

And while Weekly Brightening Peel Pads can help extend the results of aesthetic procedures, it can also be used to complement medical skin care regimens.

Make every Saturday night a party with Weekly Brightening Peel Pads!

Weekly Brightening Peel Pads

FERRARI MD
PRO SKIN CARE

Information for the skin care professional: Weekly Brightening Peel Pads is a topical solution applied with a pre-saturated pad designed to both exfoliate and brighten the skin. It contains the natural keratolytics Azelaic, Lactic and Phytic acids dissolved in a solution of water and organic solvents.

Directions: Use 1-2 times weekly or as directed. Smooth pad over areas to be treated. On first use, rinse off after approximately 15 minutes. If tolerated, contact time may be gradually increased to overnight.

Precautions: For external use only. Avoid contact with eyes and mucosa. If contact occurs, rinse well with water. If irritation, redness or itching occurs, discontinue use and consult physician. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Do not use if pregnant or nursing. Keep out of reach of children.

Contains: 27.8% SD Alcohol 40-B, Ethoxydiglycol, Water, Benzyl alcohol, Azelaic acid, Lactic acid, Phytic acid, Disopropanolamine, Laureth-4, Evodia rutaecarpa fruit extract and Rumex occidentalis extract.

How Supplied: 60 pad jar. Store in a cool, dry place.

To reorder call: 704.844.8344
