Moisturizer!*

HydraBoost

Hyaluronic Acid, Green Tea Extract & Peptides

HydraBoost is a highly concentrated hyaluronic acid-based gel enhanced by Vitamins B3, B5 and peptides. This unique combination is designed to enhance skin moisture and reduce the appearance of photoaging and dry skin.

The water-based vehicle is oil-free & fragrance-free and is appropriate for use under make-up, sunscreen, or moisturizers. HydraBoost is non-comedogenic and may be used as a light moisturizer on acne-prone skin.
